**Friday 4th October - Sunday 6th October 2019**

**Welcome to our 22nd Annual World Changer's Conference "SUCH A TIME AS THIS."**

This year's conference will be an amazing time of being taught the word of God as it applies to us in this day and hour. The Bible tells us that the tribe of Issachar "Understood the signs of the times and knew the best course for Israel to take."

We the Church need to understand the times we are living in and "Make the most of every opportunity, because the days are evil." This is the time to stand for truth. It is time for God's people to stand up against the tide of progressiveness that is sweeping our nation and the nations of the earth.

We are living in days like never before and as God's people it is time to walk in our God given Kingdom authority and be the people that God has purposed us to be.

**Pastors Lyle and Anthea Slinger** are the Hosts and Senior Pastors of "A Church in the Market Place," Kingaroy QLD. Being an Apostolic/Prophetic ministry they oversee churches and various ministry outreaches into the nations, especially African countries, travelling with teams to these countries, encouraging Pastors and Leaders to equip their congregations to use their God-given giftings, letting God operate through them to bring change, hope and a purpose for life to others.

**Guest Speaker Kameel Majdali** grew up in Los Angeles, California to Arab-American parents. He came to faith as a teenager after discovering and reading a Gideon's Bible on the family book shelf. Once he finished his undergraduate studies, he went to the Middle East to do a master's degree. He preached his first sermon on Mount Zion. After his wedding, he and his wife Leanne began to travel worldwide in full-time ministry. After settling in Australia, he gained pastoral experience before joining a leading Bible college, where he served as principal for many years. In this capacity, he trained 100s of people for Spirit-filled ministry. In February, 2004, he founded Teach All Nations.

Kameel teaches and preaches all over the world with an emphasis on the Word of God and the power of the Holy Spirit. He is a dynamic preacher and teacher with a prophetic edge as well as a futurist who believes in the inerrancy and infallibility of the Bible. He has published nine books and hosts 3 radio programs: In 2014 he was named by Worldwide Branding, New York, as 2014-2015 *Who's Who VIP*, given to individuals who have shown exceptional commitment in achieving personal and professional success.
